REQUEST TO CORRECT FILING RECEIPT

Applicants respectfully request correction of the filing receipt for the above-identified application and issuance of the corrected filing receipt.

Accompanying this request is a copy of the filing receipt with changes indicated in red ink. Applicants respectfully submit that inventor Hein's address was correctly indicated in the executed declaration and power of attorney accompanying the original application. Apparently, the name of the city was confused with Hein's street address. Applicants respectfully submit that any data entry records indicating Hein's street address should be checked. In particular, Hein's correct address is as follows:

Jerrell P. Hein
19507 FM 150 West
Driftwood, Texas 78619

Thus any reference to a street address should refer to 19507 FM 150 *West* (emphasis added). The city should be changed from West Driftwood (non-existent) to Driftwood.

Applicants respectfully request issuance of a corrected filing receipt indicating the correct inventor city. Applicants also respectfully suggest that any records indicating Hein's postal address be checked for accuracy.

Applicants respectfully submit that this error was not made by applicants and therefore no additional fee is due.

If there are any issues that can be resolved by telephone conference, the Examiner is respectfully requested to contact the undersigned at (916) 364-1270.

Respectfully submitted,
DAVIS & JOHNSON, LLP
